Listed below are some of the design problems found within the NBC website

1. Picture size is not consistent some pictures are very large in size some are very small

2. No consistency in color, bad visibility
3. Important links are missing such as admission link, fee structure, deadline of entry test
4. Navigation not properly designed
5. Website overly populated
6. There are no section breaks

7. Career Counseling development details is mandatory but having clue about it.
8. Emergency Service is not given
9. Academia Calendar and schedule details are missing
10. Student affairs update about support services are missing
11. Societies updates and details are not mentioned
12. As the website opens the front page not very helpful the background image on the front page covers the whole area of the screen which looks not professional

MOBILE

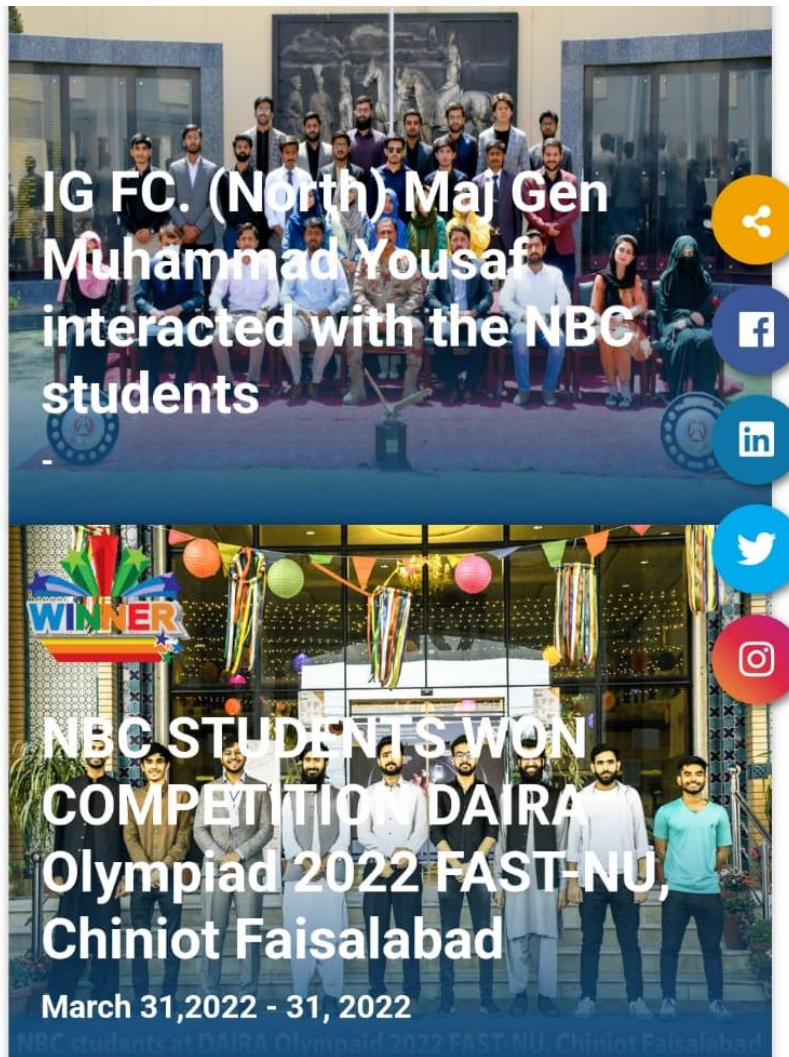

1. The size of the picture is very small

In the Spotlight

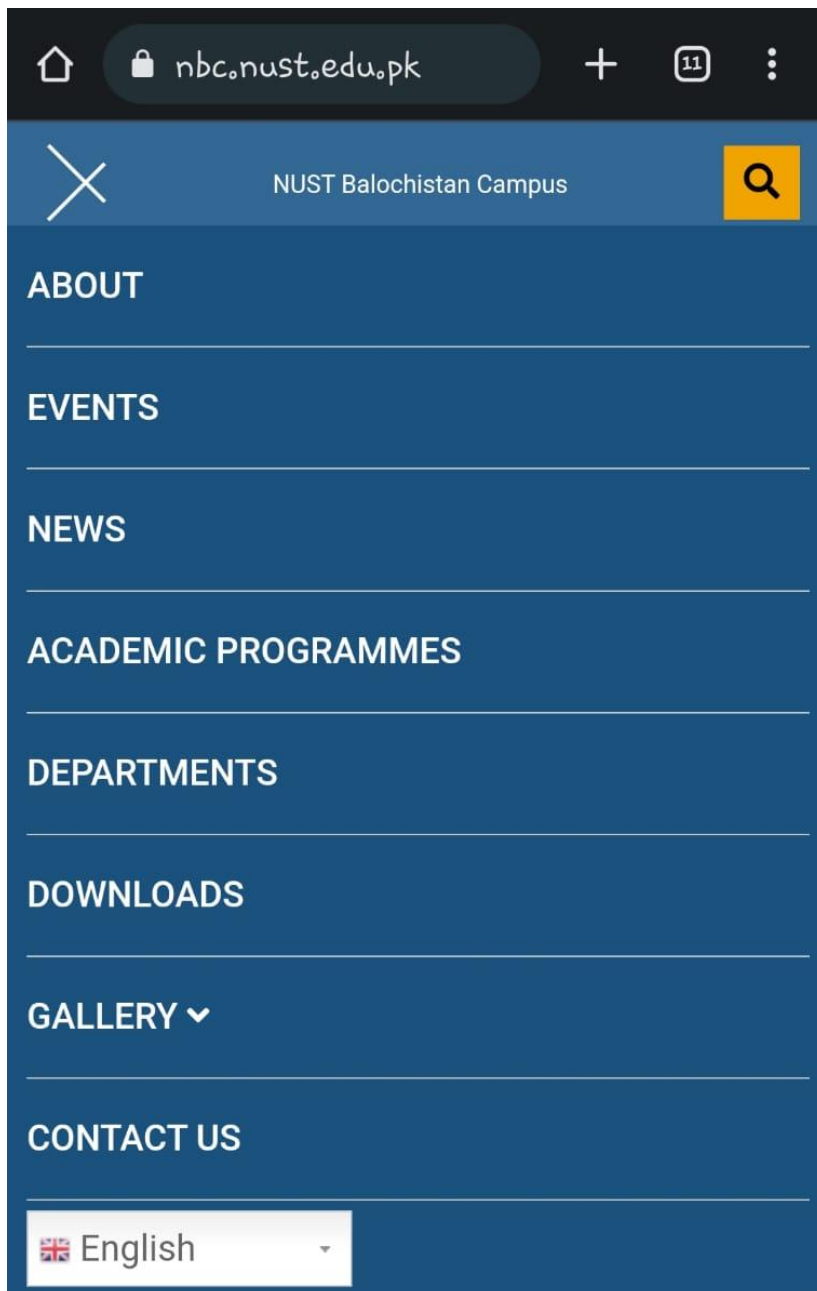

[View all Spotlights](#)

2. The caption on the picture is very difficult to read

3. Poor navigation, there is no option to go back

4. Text size is too large
